**PROXY STATEMENT**  
**ANNUAL MEETING OF STOCKHOLDERS**  
**August 4, 2021**

This Proxy Statement is being furnished by and on behalf of the board of directors (the “Board”) of Vericity, Inc., a Delaware corporation (the “Company,” “we,” “us,” or “our”), in connection with the solicitation of proxies to be voted at the 2021 Annual Meeting of Stockholders (the “Annual Meeting”) to be held on Wednesday, August 4, 2021 at 9:00 a.m., Central Daylight Time, online at [www.virtualshareholdermeeting.com/VERY2021](http://www.virtualshareholdermeeting.com/VERY2021). Due to the ongoing public health impact of the coronavirus outbreak (COVID-19) and to support the health and well-being of our stockholders, this year’s Annual Meeting will be held in a virtual meeting format only. Additional details about how you may obtain virtual access to the Annual Meeting are set forth below under the heading “Voting Securities”.

**Solicitation and Revocation of Proxy**

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board to be used at the Annual Meeting to be held August 4, 2021. You can revoke your proxy at any time before it is exercised by attending and voting at the meeting, by giving written notice of revocation to the Corporate Secretary of the Company prior to the taking of the vote for which such proxy has been given, or by delivery to the Corporate Secretary of the Company of a duly executed proxy bearing a later date (including by means of the telephone or Internet). Notice and delivery shall occur upon actual receipt by the Corporate Secretary of the Company at the Company’s principal place of business. The cost of soliciting proxies will be borne by the Company. In addition to the use of the mails, proxies may be solicited personally, by email or telephone, by the directors, officers, and employees of the Company. Directors, Officers, and other employees of the Company will receive no additional compensation for any such further solicitations. Also, the Company will make arrangements with banks, brokerage houses, and other nominees, fiduciaries, and custodians holding shares in their names or in those of their nominees to forward proxy materials to the beneficial owners of shares, and the Company will, upon request, reimburse such entities for their reasonable expenses in sending the proxy materials.

Unless revoked as described above, all properly executed proxies will be voted as specified. If no other indication is made, the proxies will be voted for the election of directors shown as nominees and for the ratification of the appointment of Deloitte & Touche LLP (“Deloitte”) and as recommended by the Board with regard to all other matters.

**Voting Securities**

At the close of business on June 11, 2021, there were 14,875,000 shares of common stock outstanding and entitled to vote at the Annual Meeting. The holders of such shares are entitled to one vote for each share of common stock held by them on any matter to be presented at the Annual Meeting, including the election of directors. Only stockholders of record at the close of business on June 11, 2021 are entitled to vote at the Annual Meeting and any adjournment or postponement thereof.

The Annual Meeting will be held entirely online this year. You may attend the Annual Meeting, as well as vote and submit questions during the Annual Meeting, by visiting [www.virtualshareholdermeeting.com/VERY2021](http://www.virtualshareholdermeeting.com/VERY2021) and entering the control number found on your proxy card or Notice of Internet Availability of Proxy Materials you previously received. We encourage you to access the meeting prior to the start time leaving ample time for the check in.

If you do not hold our common shares in your own name, but instead hold your interest in our shares through one or more intermediaries, such as a bank or broker (in many cases referred to as owning shares “in street name”), then you are considered a holder of a beneficial interest in our common shares, or a “beneficial owner”, and you will be able to vote the shares in which you hold your interest through those intermediaries. An intermediary will forward our proxy materials to you and request your instructions as to how to vote the shares.

The presence at the virtual Annual Meeting, in person or by proxy, of a majority of the outstanding shares of the common stock will constitute a quorum. Abstentions and broker non-votes are counted for purposes of determining a quorum and are considered present and entitled to vote. Broker non-votes are excluded from the “for,” “against” and “abstain” counts, and instead are reported as simply “broker non-votes,” therefore broker non-votes have no effect as to voting for or against any matter.

The following table sets forth the voting requirements, whether broker discretionary voting is allowed and the treatment of abstentions for each of the matters to be voted on at the Annual Meeting.

Proposal	Vote Necessary to Approve Proposal	Broker	Treatment of Abstentions
		Discretionary Voting Allowed?	
No. 1—Election of directors	Plurality (that is, the largest number) of the votes cast	No	Abstentions are not considered votes cast and will have no effect
No. 2—Ratification of the appointment of Deloitte & Touche LLP	Affirmative vote of a majority of the shares present, in person or by proxy, at the Annual Meeting and entitled to vote on the matter	Yes	Abstentions will have the effect of a vote cast against the matter

## **Corporate Governance**

### **Overview of our Board Structure**

As part of the conversion of Members Mutual in connection with our IPO, Apex Holdco purchased approximately 76.5% of the shares sold in the IPO pursuant to a standby stock purchase agreement under which Apex Holdco acted as the standby purchaser for the IPO. As such, we qualify as a "controlled company" within the meaning of the corporate governance rules of Nasdaq. "Controlled companies" under those rules are companies of which more than 50% of the voting power is held by an individual, a group or another company.

As we are a "controlled company" we have availed ourselves of the "controlled company" exception under the Nasdaq rules and will not be subject to the Nasdaq listing requirements that would otherwise require us to have a board of directors comprised of a majority of independent directors, a compensation committee composed solely of independent directors or a nominating committee composed solely of independent directors.

The standby purchase agreement and/or our bylaws contain provisions regarding our corporate governance and board structure and chief executive officer, including:

- the board of directors shall consist of designees appointed by Apex Holdco (the "Apex designees") and designees appointed by Vericity (the "company designees"). The number of company designees shall not exceed six or at any time be less than two, and the number of Apex designees at any given time shall be one more than the number of company designees, but in no event less than three, provided that Apex Holdco may designate the minimum additional number of designees as necessary to comply with SEC and Nasdaq Stock Market rules relating to the number of independent directors serving on the board of directors or any committee of the board. Messrs. Rahe, Dong, Perry and Ashe serve as the Apex designees, and Messrs. Hemmings, Hohmann and Schacht currently serve as the company designees. Each of these directors has been nominated by the Board for election as directors to serve an additional term, and Apex Holdco has delivered its written consent to their election;
- the compensation payable to the company designees may not be decreased without the consent of a majority of the company designees, and may not be increased without the consent of a majority of the Apex designees;
- among other things, Apex Holdco has agreed to vote its shares in favor of the election of the company designees as directors. In the event of any vacancy in the office of any Apex designee or company designee, a majority of the remaining designees, as applicable, will have the right to designate a replacement to fill the vacancy, provided that in the case of a vacancy of a company designee, Apex Holdco may elect to reduce the size of the board of directors by two so long as one of the Apex designees resigns, and provided further that in the event that there are no remaining company designees to designate a replacement, the advisory board shall have the right to designate a replacement company designee;
- at any election of directors of Vericity, a majority of the Apex designees will have the right to nominate the successors of the Apex designees, and a majority of the company designees will have the right to nominate the successors of the company designees, provided that in the event that there are no remaining company designees to designate successors, the advisory board shall have the right to designate successor company designees;

#### **Long-Term Incentive Plan**

Prior to the IPO, our directors and named executive officers participated in the Vericity Holdings, Inc. Long-Term Incentive Plan as amended and restated January 1, 2015 (the "LTIP"). The LTIP was a cash-based incentive plan pursuant to which annual awards of units were made based on the GAAP book value of Members Mutual as of the end of the most recently completed fiscal year. All outstanding awards were immediately and fully vested and paid upon completion of the conversion based on an LTIP value based on per share IPO price of \$10.00. The LTIP terminated simultaneously with the close of the offering in 2019. Payments under the LTIP to our named executive officers are described above in footnote 2 to the executive compensation table, and payments under the LTIP to our directors are described below under the heading "—Director Compensation."

#### **Deferred Compensation Plan**

We offer a non-qualified deferred compensation plan to our named executive officers, directors and certain other executive officers. Deferred compensation plan participants can elect to defer a portion of their annual compensation into the deferred compensation plan, with the deferrals generally not subject to current income tax. Deferred compensation plan balances are credited with interest, computed monthly, using the yield rate that we earn on our invested assets. Net realized investment gains (losses) are not considered in determining earnings on deferred compensation accounts. The deferred compensation plan currently does not include a matching contribution or any additional compensation to its participants. Ms. Bynoe was the sole participant in this plan and terminated her participation on January 1, 2019. There are currently no participants in this plan.

#### **Apex Holdco Equity Incentive Plan**

Following the closing of the IPO, Apex Holdco established the Apex Holdco L.P. 2019 Equity Incentive Plan (the "EI Plan") under the terms of the amended and restated limited partnership agreement of Apex Holdco. Under the EI Plan, Class B units representing 20.6% of the fully diluted units of Apex Holdco at the closing of the IPO were reserved for issuance to employees, directors, advisory board members and other service providers of the Company. Following the closing, awards under the EI Plan were made to the executive officers, certain directors, certain other employees, and advisory board members of the Company in an aggregate amount of approximately 85.4% of the available pool of Class B units under the EI Plan. Class B units are non-voting profits interests in Apex Holdco that entitle the holders thereof to participate in the appreciation in the value of Apex Holdco, as represented by its ownership of our common stock, above a per share threshold representing the amount of Apex Holdco's investment in our common stock, subject to certain customary adjustments, and are payable in the event of a future sale of the Company. The grants of Class B Units made to the named executive officers, directors and advisory board members represented the following percentages of the fully diluted units of Apex Holdco at the closing of the IPO: Mr. Hohmann, 5.00%; Mr. Harkensee, 1.75%; Mr. Campbell, 1.50%; Mr. Ashe, 1.00%; Mr. Hemmings, 0.80%; Mr. Perry, 0.25%; Mr. Schacht, 0.80%, Ms. Bynoe, 0.80%; Mr. Fibiger, 0.80%; and Mr. Groot, 0.80%.

Under the EI Plan, for all of our directors and our executive officers other Mr. Hohmann, the grants of Class B units vest ratably over five years, subject to forfeiture under certain conditions. Mr. Hohmann's grant was fully vested upon grant, subject to recoupment ratably over five years and forfeiture under certain conditions. The grants to the directors of Vericity are not subject to forfeiture. The EI Plan is adopted, maintained and administered by Apex Holdco, not the Company.

## Employment Agreements

We have entered into employment agreements with Messrs. Hohmann, Harkensee, Kim, Buchanan and Campbell and with Ms. Zimmerman. The employment agreements provide for a base salary, subject to increase as determined by the Company. Pursuant to the employment agreements, these executives are eligible to participate in all employee profit sharing and welfare benefit plans for executives as well as our annual cash incentive program, and Change in Control Severance Benefits Plan (the “CIC Plan”). The employment agreements require the Company to indemnify any executive who is made a party or is threatened to be made a party to any action, suit or proceeding because he or she is or was a director or officer of the Company, subject to certain conditions. In such case, the Company will provide for the advancement of certain expenses.

Under the employment agreements, the agreement and an executive’s employment thereunder may be terminated due to (i) death; (ii) total disability; (iii) by the Company for Cause; (iv) by the Company at any time without Cause; (v) or by an executive on at least thirty days’ notice. In the event an executive is terminated by the Company without Cause and there has not been a Change in Control under the Company’s CIC Plan, the executive will be entitled to the following (x) an amount equal to eighteen months of executive’s then current base salary; (y) an amount equal to the executive’s target bonus percentage for the current year multiplied by the amount payable pursuant to (x); and (z) COBRA coverage for eighteen months provided the executive makes the appropriate election and continues to pay the relevant premiums at the same level as when employed. The amounts payable pursuant to (x) and (y) shall be paid in monthly installments. Pursuant to the employment agreements, the executives are subject to certain restrictions regarding confidential information and trade secrets. In addition, for a period of up to eighteen months, the executives are prohibited from soliciting the Company’s customers and employees and from engaging in certain activities which compete with the Company.

## Change in Control Severance Benefits Plan

Our named executive officers, among others, participate in the Vericity Holdings Change in Control Severance Benefits Plan (the “CIC plan”). The CIC plan provides for the payment of severance benefits to certain eligible employees whose employment is terminated without Cause or who voluntarily terminates for Good Reason following a Change in Control as those terms are defined in the CIC plan.

Pursuant to the CIC Plan, if our named executive officers are terminated without Cause or voluntarily terminate their employment due to Constructive Termination within 12 months of a Change in Control, they would be entitled to receive 24 months of base salary. Also, our named executive officers would receive payment of a bonus computed as the average of their short-term annual bonus as a percentage of base salary for the past three complete years in which a bonus plan was in effect. The annual bonus payout would be multiplied to be consistent with the period covered by the base salary award (2 times for 24 months). Base salary payments would continue to be paid on the same frequency as before the termination, while the bonus payment would be made in a lump sum. Following the termination of employment, we would pay the employee’s share of any health insurance premiums as were paid before the termination if the employee elects to continue coverage under the Consolidated Omnibus Budget Reconciliation Act of 1985 (“COBRA”) for the continuation period under COBRA. The Company would also reimburse the named executive officer the cost of obtaining comparable life and long-term disability insurance coverage that the employee was provided before the termination for 24 months. In addition, our named executive officers would be entitled to receive the immediate payment of all outstanding (vested and un-vested) awards under the Company’s incentive and bonus plans, including the annual bonus program.

In the event that any payments made under the CIC plan would cause our named executive officers to be considered the recipient of an excess parachute payment within the meaning of Section 280G(b) of the Code, the amount of such payments would be reduced to an amount necessary to avoid application of Section 280G(b) of the Code.

## Director Compensation

In 2020, each non-employee director and advisory director of Vericity, Inc. received an annual retainer of \$100,000 which was paid on a quarterly basis. Messrs. Rahe, Dong and Perry do not receive cash compensation from the Company for service as a director of Vericity, Inc. Following the closing of the IPO, each director other than Messrs. Rahe and Dong also received a grant of Class B Units under the EI Plan. See “—Apex Holdco Equity Incentive Plan” above for additional information.

### PROPOSAL 2

#### RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board has approved the Company's engagement of Deloitte as the Company's independent auditors. Deloitte has served as the Company's independent registered public accounting firm for its fiscal year 2020. Deloitte was reappointed by the Board, on the recommendation of the Audit Committee, as the Company's independent auditors for fiscal year 2021.

A representative of Deloitte is expected to be present at the Annual Meeting. The representative will be given an opportunity to make a statement and to respond to appropriate questions, if he or she desires to do so.

**Audit Fees.** The aggregate fees billed by Deloitte for professional services associated with the annual audit of our consolidated financial statements, the reviews of our quarterly condensed consolidated financial statements and the issuance of consents and comfort letters in connection with registration statement filings with the SEC for the years ended December 31, 2020 and 2019 totaled \$1,100,000 and \$1,150,000, respectively.

**Audit-Related Fees.** The audit-related fees by Deloitte consist of fees billed for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under "Audit Fees." No such services were incurred in 2020 or 2019.

**Tax Fees.** The tax fees consist of fees for tax compliance, tax advice and tax planning. No such services were incurred in 2020 or 2019.

**All Other Fees.** All other fees include any fees billed that are not audit, audit-related or tax fees. No such services were incurred in 2020 or 2019.

Before an independent registered public accounting firm is engaged by the Company to render audit or non-audit services, our audit committee must review the terms of the proposed engagement and pre-approve the engagement. The audit committee may delegate authority to one or more of the members of the audit committee to provide these pre-approvals for audit or non-audit services, provided that the person or persons to whom authority is delegated must report the pre-approvals to the full audit committee at its next scheduled meeting. Audit committee pre-approval of non-audit services (other than review and attest services) are not required if those services fall within available exceptions established by the SEC. The audit committee pre-approved all audit, audit-related, tax and other services provided by Deloitte for the fiscal years 2020 and 2019 and the estimated costs of those services. Actual amounts billed, to the extent in excess of the estimated amounts, were periodically reviewed and approved by the audit committee.

The affirmative vote of a majority of the shares present or represented at the annual meeting and entitled to vote is required for the approval of the auditor ratification proposal. The Company is not required to submit the selection of the independent registered public accounting firm to the stockholders for approval, but is doing so as a matter of good corporate governance. If the stockholders reject the selection, the Board will reconsider its selection.

**OUR BOARD OF DIRECTORS RECOMMENDS A VOTE “FOR” THE RATIFICATION OF OUR AUDIT COMMITTEE’S SECTION OF DELOITTE AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**
